RE: Rescinding of the Hereditary Chiefs of North Haida Gwaii LLP
Letter dated March 22, 2016 and Received by NEB on June 27, 2016

Dear Ms. Young,

We, the undersigned Hereditary Chiefs of Haida Gwaii respectfully request that the National Energy Board rescind the letter dated March 22, 2016 sent from the Hereditary Chiefs of North Haida Gwaii LLP and received by the NEB on June 27, 2016; the reason for the rescinding of this letter is;

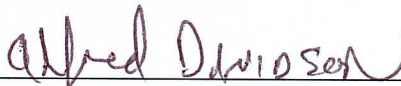

- That the Hereditary Chiefs Elvis Davis, Carmen Geortzen, Francis Ingram and Roy Jones Jr., do not collectively represent the communities of Old Massett, Skidegate, the Haida Nation and the Hereditary Chiefs Council.
- There are four individuals who signed this letter that are not recognized as potlatched Hereditary Chiefs, they are Michael Morrison, Arnold Bellis, Robin Brown and Wilson Brown and they have no authority to sign as a Hereditary Chief.

The Hereditary Chiefs of Haida Gwaii have signed the Haida Accord and we recognize and acknowledge that the Council of the Haida Nation President – Peter Lantin speaks on behalf of the Hereditary Chiefs Council and the Haida Nation.
